

Ardee and District Athletic Club Child Safeguarding Statement

Ardee & District AC provides sporting activities and opportunities for young people through participation at local, provincial and national events.

Ardee & District AC is committed to safeguarding children and by working under the guidance of our Safeguarding Policies, our volunteers seek to create a safe environment for young people.

The Ardee & District AC Risk Assessment document indicates the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance or process documents required to alleviate these risks. The list of risks identified are contained in the following categories: Club and Coaching Practices; Complaints & Discipline; Reporting Procedures; Use of Facilities; Recruitment; Communications; and General Risk of Harm.

The Risk Assessment was undertaken on 5 March 2018.

Our Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015 and The Children (Northern Ireland) Order 1995. In addition to our Risk Assessment document described above, there are further procedures that support our intention to safeguard children while they are availing of our activities.

Ardee & District AC has the following procedures in place as part of our Safeguarding Policies:

- Procedures for the management of allegations of abuse or misconduct by staff or volunteers against a child availing of our activities
- Procedures for the safe recruitment of staff and volunteers to work with children in our activities
- Procedures for access to child safeguarding training and information, including the identification of the occurrence of harm
- Procedure for reporting of child protection or welfare concerns to Statutory Authorities

The Relevant Person for Ardee & District AC is Alice Turley.

We recognise that implementation is an ongoing process. Our Club is committed to the implementation of this Child Safeguarding Statement and the procedures that support our intention to keep children safe from harm while availing of our activities.

This Child Safeguarding Statement will be reviewed on 4 March 2020.
